APPLYING SPECIAL ASSESSMENTS TO THE TAX ROLLS

1) GENERAL INFORMATION

- a) Before special assessments may be placed on the County tax rolls, a contract for their collection must be executed between the governing body of the agency and the County Board of Supervisors. Once this contract has been entered into, it is effective for any special assessment of that agency and remains in effect until rescinded by either of the parties concerned.
- b) Compliance with the provisions of Proposition 218, the Right to Vote on Taxes Initiative will be a responsibility of the City or District. A compliance letter is required for each district number and must be signed by the City or District Manager (See form on page 15).
- c) Pursuant to Section 29142, 27013, 29304 and 50077 of the Government Code, the County Auditor Controller is authorized to charge for the cost of applying special assessments to the tax roll. This charge is \$0.08 per assessment for each time a file is submitted whether it is accepted or rejected. There is an additional per district fee of \$129.66 per annual submittal in addition to the \$0.08 per assessment.
- d) Pursuant to Section 50077 of the Government Code and numerous other code sections, the County Treasurer-Tax Collector is authorized to charge for the collection of special assessments included on the tax bill. This year's annual charge is \$0.40 per assessment. This charge is in addition to the Auditor-Controller's Office charges, and will be recovered on the first current secured settlement apportionment.
- e) The Auditor-Controller's Office (ACO) charge is based on applying the assessment to the tax roll, not for the collection of such taxes. Because of the nature of the charge, the County will recover its total charge on the first current secured settlement apportionment, regardless of which property owners paid their assessments. After this adjustment is made, the agency will receive the full amount collected from the property owners.
- f) If your agency applies credits from successor agency funding, this office is not concerned with the amount of the credit or the amount of the original charge. Provide only the final amount to be collected from the County tax rolls. Amounts ending in odd cents will be rounded down to the even cent in order to accommodate equal installment billing.
- g) There is a charge of \$0.08 per assessment for any rejects being resubmitted before the August 20 deadline. The \$0.08 per assessment charge applies to ALL initial submissions and resubmissions of assessments rejected or not. For example:

(1) The agency submits fund/district 68-0001 with 100 assessments and after it is processed, only 95 assessments are accepted and 5 assessments are rejected and need to be resubmitted. Therefore, the agency will be charged on the following:

a) 1 district x \$129.66	= \$ 129.66
b) 100 assessments x \$ 0.08	= \$ 8.00

Total	\$ 137.66

(2) If the agency resubmits corrections with only 5 assessments and the FTP submittal is only 5 assessments for correction, the agency will be charged on the following:

a) 5 assessments x \$0.08 = \$0.40

(3) If the agency resubmits corrections with only 5 assessments, but the FTP submittal includes the entire file of 100 assessments again, the agency will be charged on the following:

a) 100 assessments x \$0.08 = \$ 8.00

- h)** For current year **corrections** to the tax roll **AFTER August 31** and **BEFORE** secured extension, contact Laura De Guire (951) 955-0328 for authorization and deadlines.
- i)** Any **corrections** requested **AFTER** secured extension which is the fourth Monday in September **will** require a corrected tax bill. **The district will be required to send a letter to the taxpayer notifying them of the correction.** Current year **correction** requests will be accommodated through October 31 only. Any other requests for current year special assessment corrections received after October 31 shall be subject to approval by the Office of the Treasurer-Tax Collector. The charges for the corrected tax bills are:

Manual Corrections - \$ 49.50 per corrections, per fund, per assessment per tax year or
Batch Corrections - \$148.51 per batch plus \$0.08 per assessment, per fund and per tax year
for computer generated corrections on a CD or diskette with a minimum of 20 parcels.

In addition to this fee, the Tax Collector's Office will also charge \$ 9.04 per assessment for any changes that result in a corrected bill being produced.

Charges will be deducted from the current secured apportionment. Therefore, it is not recommended that the agency collect directly from any property owner after the assessment has been applied to the tax roll. If an error occurred, there are three alternatives:

- (1) Request an amended tax bill signed by the authorized person(s).
- (2) Have the property owner pay the tax bill, show proof of payment then reimburse directly to the taxpayer.
- (3) Provide the taxpayer with a check for the incorrect assessment amount payable to the County Tax Collector so the property owner may include that payment with his own payment toward the tax bill.

- j)** Throughout the year, many agencies adopt resolutions declaring the charge of abatement of public nuisances is to be collected on the tax rolls. Those resolutions to be recorded as liens should be sent to the Assessor-County Clerk-Recorder's Office immediately. However, it is recommended that you retain the Auditor-Controller's Office copy for submission in August. Then, only submit those that remain unpaid at that time. If the Auditor-Controller's Office receives an abatement charge resolution outside of the processing period, and it is not accompanied by a request for an amended tax bill, it will be held pending the next year's tax roll. Notification of any subsequent payment or recorded release of lien may not occur, and the charge might be placed on the tax roll erroneously.

2) SUBMITTING ASSESSMENT LISTING

- a) ***The Auditor-Controller's Office no longer accepts e-mails, CDs or diskettes for fixed charge submittals.*** We accept CDs for the roll change corrections only. FTP files are the **only** method of data transfer that we will be accepting. Data should be transmitted electronically as instructed on page 18-20 of this package. If you are also recording these assessments as liens against the property, there must be a separate mailing to the Assessor-County Clerk-Recorder's Office at P.O. Box 751, Riverside, CA 92502-0751. The Assessor-County Clerk Recorder's Office does not analyze any documents sent to them to determine whether they shall be forwarded to the Auditor-Controller's Office, nor does the Auditor-Controller's forward any listing to the Assessor-County Clerk-Recorder's Office.
- b) A copy of a resolution or ordinance of your governing body must accompany your electronic data. A resolution must state the following:
- (1) The charge is in compliance with all laws pertaining to the levy of the particular assessment.
 - (2) The specific code section must be cited.
 - (3) The charge is levied without regard to property valuation.
 - (4) The purpose of the special assessment.

In addition to the above, please either type or handwrite the following on the right hand corner of the resolution:

- (5) The county assigned fund/district number for identification purposes (68-XXXX) and if it is 1915 Act assessment fund number or not.

- c) Include a total parcel count and a total dollar amount by fund. This will assist us in verifying the accuracy of the initial input. Format should be as follow:

<u>Fund (district) Number</u>	<u>Total Assessments</u>	<u>Total Charge</u>
68-0000	0,000	\$0,000.00

Any package sent without this summary will not be processed.

- d) A cover letter should be included with a telephone number, e-mail address and a contact person. This contact person information will be provided to taxpayer's with assessment inquiries and posted on our website. This contact number will also be printed on our tax bills. If you have separate contact information for our office, you may send us two contacts: One for the public, and one for our office use only.
- e) If you will be making any corrections, please send in a sample signature from the person authorized to request corrections and adjustments to these charges during the year (form enclosed on page14).

Please follow the procedures below for the correct format for your data.

- f) The only **three** items that should be on your FTP files are:
- (1) The assessment number (including check-digit number).

- (2) Your fund/district number.
- (3) The amount of charge for that assessment.
- g) The FTP file name format must be in this format: 68XXXX.
 - (1) Please include only one fund/district per file name.
 - (2) The naming convention for the file is your six-digit fund number/district number. For example: 68XXXX.txt
- h) The FTP file data must have ASCII format: Numeric Only (no dash/hyphen in the filename) and single spacing.
 - (1) **3 columns**
 - **Column 1 format: 6 blanks spaces, 10 characters**
 - **Column 2 format: 1 blank space, 6 characters**
 - **Column 3 format: 2 blanks spaces, 9 characters**

XXXXXXXXXX XXXXXX XXXXXXXXXXXX
 XXXXXXXXXXXX XXXXXX XXXXXXXXXXXX

Record Format:	<u>Data</u>	<u>Position</u>
	Blank	1 - 6
	Assessment Number	7 - 15
	Check Digit	16
	Blank	17
	Fund Number	18 - 23
	Blank	24 - 25
	Amount	26 - 34 (999999999)
	(9 characters. Including 2 decimals)	

- i) Charges to be entered for property on the State Board of Equalization (utility) roll should be submitted on a separate listing. These charges are applied to the tax rolls by an alternative manual procedure (form enclosed on page 22).

3) SCHEDULE FOR 2014-2015

Submit your original electronic data any time after July 1, but no later than August 13. **Corrections must be turned in by August 20.** Every effort will be made by the ACO to send an electronic “error report” to the provided e-mail address. Please be advised that you will be charged again, if you are resubmitting rejected assessments. The fee for each assessment is \$0.08 each.

Rejects must be returned to the Auditor-Controllers Office by August 20 in order to be placed on the tax roll. Corrections needed after that date must go through our Roll Change Section. Any other requests for current year special assessment corrections received after October 31 shall be subject to approval by the Office of the Treasurer-Tax Collector.

The County tax rolls are usually extended during the second week in September. Any individual problems must be resolved by August 20. Written notification of these changes should be received by the Auditor-Controller’s Office before that date. If your written notification will not reach us by August 20, a phone call in addition to the letter will suffice. Please call or email us if there are any

other problems or any questions about last minute items. You may contact Fendy Kao by phone (951) 955-0322 or by e-mail at fkao@co.riverside.ca.us.

4) **REPORTING TO AGENCIES**

Once we have processed your data for entry to the tax rolls, we will e-mail a report listing the accepted assessments. This report lists only those assessments that were successfully applied. If you submit two amounts for the same assessment number, our system will only accept the last amount submitted. **It is highly recommended that charges applied to the tax rolls be reconciled to your own assessment lists.**

In addition, we will e-mail a listing of the rejected assessments. This listing should be reviewed **immediately**. The Assessor-County Clerk-Recorder's Office can provide the correct assessment number. These corrections need to be **resubmitted** to the Auditor-Controller's Office as soon as possible. The fee for re-submittal of rejected assessments is \$0.08 per assessment. If it is **not possible to resubmit** the corrections before extension of the property tax roll, **the corrections can be added to the roll by the Roll Change Section** with an **additional charge of \$49.50 per manual or \$148.51 per batch plus \$0.08 for each assessment. After the roll has been extended and the tax bill produced, any corrections can be added to the roll by the Roll Change Section through October 31 with an additional charge of \$9.04 per assessment fee to reflect the Tax Collector's charges.**

Note: The Roll Change Section process will generate a corrected tax bill to be mailed by the Tax Collector's Office.

After the end of each secured tax collection period, we will post a listing of paid and unpaid assessments on our web site at: <http://www.auditorcontroller.org/opencms/Proptax/index.html>.

5) **ROLL CHANGE SECTION**

The deadline for current year roll changes is October 31, 2014. Any other requests for current year special assessment *corrections* received after October 31 shall be subject to approval by both the Office of the Auditor-Controller and the Office of the Treasurer-Tax Collector.

NOTE: The Auditor-Controller's office will not issue refunds for Current Year or Prior Year Fixed Charge requests. It is the District's responsibility to process the refund.

Current Year request:

If the ***first installment*** is paid and the ***second*** is not paid – The Auditor-Controller's Office can remove the ***second installment*** and the district is to refund the paid ***first installment***.

If fully paid – District is to refund

Prior Year request:

If fully paid – District is to refund.

Note: Any batch fixed charge request that rejects with an "IPP" (Installment Payment Plans) status will be processed manually and a manual fee will apply.

Instructions for fixed charge corrections AFTER the August 20 deadline:

As of July 1, 2014, only information received in the following approved format will be accepted for processing of fixed charge corrections to the Property Tax Roll. Requests that do not conform to this format will be returned to the City or District. Please see sample letters attached. Requests must be made on your **City or District letterhead** and signed by an authorized person from that City or District. An authorized signature form is enclosed (page 14) and when received, it will be kept on file for future verification. Faxed copies or photocopies of requests will not be accepted. Requests must include:

- 1) A brief description of the reason for the change. EXAMPLE: City or District error; paid direct to City or District; or removing charges due to foreclosure procedures. See Revenue & Taxation Codes:
 - 4832.00 **District error** - Allow the taxpayer 30 days to pay with no penalty.
 - 4832.50 **Paid direct to the district or city** - Does not allow 30 days to pay.
 - 4832.99 **District Foreclosure** - Does not allow 30 days to pay. If the assessment is PAID or REDEEMED, the charge cannot be removed.
- 2) Assessment Number: Must be a complete 10-digit number. (XXX-XXX-XXX-X) (Nine-digit assessment number and check-digit).
- 3) Tax Year: Indicate fiscal tax year of the change.
- 4) Fund Number: Must be a six-digit number (68-XXXX).
- 5) Total number of changes per fund.
- 6) Current and new charge amounts: Use the total amount currently on the tax roll; do not break down by installment amount, and do not include penalty, interest or other charges.
- 7) For each correction made, a charge per assessment, per tax year, per fund will be deducted from the current secured apportionment.
- 8) If the removal request is a district foreclosure action, please provide a **RECORDED COPY** of the "Notice of Intent to Remove Delinquent Assessment Installments from the Tax Roll" with your letter. There will be a delay in processing if the recorded copy is not attached.
 - \$49.50 for manual corrections per year, per fund and per assessment
 - \$148.51 for computer generated batch requests of 20 assessments or more on CD plus \$0.08 per assessment
 - \$9.04 per assessment for Tax Collector's fee

STATE BOARD OF EQUALIZATION FIXED CHARGES
*****Important Changes, Please Read carefully*****
Deadline for SBE Fixed Charge submittal is August 20, 2014

The State Board of Equalization (SBE) is responsible for assessing properties associated with statewide companies such as railroads, telephones or telegraphs, electric or gas and other utilities. SBE assigns independent numbers to identify these utilities. These numbers are not in our computer system. Questions regarding the State-assessed assessment information should be referred to the State Board of Equalization Valuation Division at (916) 324-2794.

Per legislation contained in AB454, unitary property is appraised using the unit value principle and is the primary operative property of the utility. Because of this legislative change, about 90 percent of SBE parcels are reported to us under this "unitary" classification and all Unitary SBE parcels are now identified to our office by SBE using a designated, yet nonexistent County-Wide TRA number 000-001, regardless of the parcels actual location.

On September 29, 2006, Assembly Bill 2670 was enacted to provide for the establishment of a single County-Wide Tax Rate Area 000-002 for **qualifying regulated railway property**. Beginning with the 2007-2008 Board Roll of State-Assessed Property, the value of railroad unitary property will be allocated based on the total number of track miles in a county and placed in a general County-Wide Tax Rate Area 000-002.

On September 30, 2006, Senate Bill 1317 was enacted to add Revenue and Taxation Code 100.95 that changed the allocation of property tax revenues derived from state assessed qualified electric generation facilities, substation facilities, and transmission lines newly constructed by a public utility after January 1, 2007. Beginning with the 2008-2009 Board Roll of State-Assessed Property, the value of qualifying properties in Riverside County will be in a County-Wide Tax Rate Area 000-095.

Due to these amendments, the TRA numbers for the parcel number on which you place charges may have changed. To ensure your fixed charge will go to the correct TRA and to help facilitate your corrections, we encourage you to purchase a copy of SBE ROLL for a charge of \$20. The SBE roll we receive is a listing of State Assessed properties by TRA and it is important to note that it is not a map. We receive the roll in late July and copies can be acquired shortly after that time by calling the Auditor-Controller's Office SBE unit at (951) 955-0943.

Adding fixed charges to a SBE parcel is done electronically by sending an e-mail request to Cris Arandia at carandia@co.riverside.ca.us. This form is in an Excel format as shown on page 22 and it must be completed correctly in order to ensure the proper utility is charged. To complete the form correctly, **do not** zero fill columns. Our system can process only one charge per fund per parcel. For several charges, combine them into one. As with the regular fixed charges, the charge will be rounded to accommodate billing in two equal installments.

The most common error with SBE fixed charges is the TRA selected. Please be sure you have selected the correct TRA and parcel. Maps identifying unitary TRA's are only available at the State level. Incorrect parcel and TRA information will not be levied. Requests for placements of charges on the SBE roll that do not match the assessment and TRA data on our system cannot be levied. **All incorrect data submitted to this office will be rejected and returned to your agency because we do not have the information available to make the determinations of assessment information.**

ACO SECURED FTP INSTRUCTIONS

You will first need an SSH, FTP or WEB client which can negotiate over a secure protocol.

Option 1 --- File Transfers Using a Web Browser

The preferred method to transfer your files would be to use your web browser.

Open your web browser and navigate to <HTTPS://FTP.CO.RIVERSIDE.CA.US>

User: [ACO-Agency](#)

Pass: [PropTax11](#)

*** WARNING ***
You have accessed a Government Computer System. Only Authorized Persons may access this server. All access attempts and activity is logged and reviewed daily. Any unauthorized access or activity will be traced to its source and this data will be used to prosecute all responsible under the full extent of the law.

Please note: Passwords need to be changed every 90 days.

Please call the RCIT-Helpdesk if you need any assistance.
955-9900

Once logged in, the following buttons will be available at the bottom of the page.

To upload files, simply add all files to be uploaded and then click Start Upload.

Option 2 --- File Transfers Using a File Transfer Client (WinSCP, File Zilla, COR FTP, etc., etc...)

Any FTP Client that supports **FTP over SSL (FTPS/FTPES)** will work.

I will provide instructions for **CoreFTP LE** client setup.

CorFTP can be downloaded for free by visiting the following site www.coreftp.com

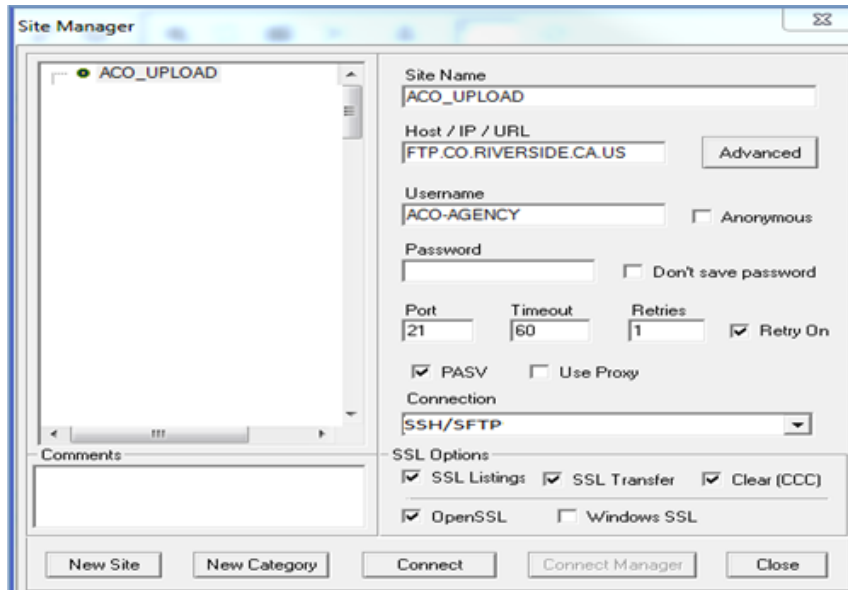

Download and install if needed. (Please use the defaults)

COR FTP Configuration Instructions

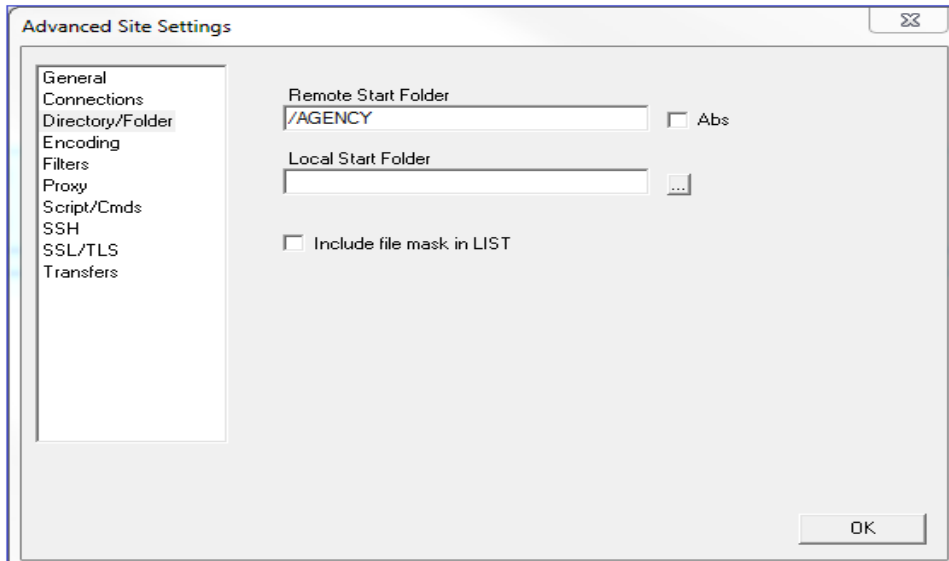

From the main menu choose Sites / Site Manger then Click on New Site.

Fill in the fields with the information from below.

- 1) Hostname: FTP.CO.RIVERSIDE.CA.US
- 2) Username: [ACO-Agency](#)
- 3) Password: [PropTax11](#)
- 4) Connection type: [SSH/SFTP](#) (THIS IS UPDATED)
- 5) Click the Advanced button

Click Directory / Folder and set Remote Start Folder to [/AGENCY](#)

Click Ok

Use the defaults for the other settings.

You will be asked if you will accept a certificate from this server. Say [OK](#).

In the LEFT pane you should see your files if you filled out the Local Start Folder field. If you did not, then you should be able to browse and find them. In the RIGHT pane you should see no files. Since [AGENCY](#) folder is **Write only**, you will not be able to list or read files, even those you write or send via FTP.

For security reasons, we have implemented a policy for locking out account logins after five (5) failed login attempts. If you are unable to login, it is possible that the account has been locked because of failed attempts by you or others.

Here are the account details for 2014
