APPLYING SPECIAL ASSESSMENTS TO THE TAX ROLLS

1) GENERAL INFORMATION

a) Before special assessments may be placed on the County tax rolls, a contract for their collection must be executed between the governing body of the agency and the County Board of Supervisors. Once this contract has been entered into, it is effective for any special assessment of that agency and remains in effect until rescinded by either of the parties concerned.

b) Compliance with the provisions of Proposition 218, the Right to Vote on Taxes Initiative will be a responsibility of the City or District. A compliance letter is required for each district number and must be signed by the City or District Manager (See form on Page 15).

c) Pursuant to Section 29142, 27013, 29304 and 50077 of the Government Code, the County Auditor Controller is authorized to charge for the cost of applying special assessments to the tax roll. This charge is $0.10 per assessment for each time a file is submitted whether it is accepted or rejected. There is an additional per district fee of $91.17 per annual submittal, in addition to the $0.10 per assessment.

d) Pursuant to Section 50077 of the Government Code and numerous other code sections, the County Treasurer-Tax Collector is authorized to charge for the collection of special assessments included on the tax bill. This year’s annual charge is $0.33 per assessment. This charge is in addition to the Auditor-Controller’s Office charges, and will be recovered on the first Current Secured settlement apportionment.

e) The Auditor-Controller’s Office (ACO) charge is based on applying the assessment to the tax roll, not for the collection of such taxes. Because of the nature of the charge, the County will recover its total charge on the first current secured settlement apportionment, regardless of which property owners paid their assessments. After this adjustment is made, the agency will receive the full amount collected from the property owners.

f) If your agency applies credits from successor agency funding, this office is not concerned with the amount of the credit or the amount of the original charge. Provide only the final amount to be collected from the County tax rolls. Amounts ending in odd cents will be rounded down to the even cent in order to accommodate equal installment billing.

g) There is a charge of $0.10 per assessment for any rejects being re-submitted before the August 20, 2018 deadline. The $0.10 per assessment charge applies to ALL initial submissions and re-submissions of assessments rejected or not. For example:

1) The agency submits fund/district 68-0001 with 100 assessments and after it is processed, only 95 assessments are accepted and 5 assessments are rejected and need to be resubmitted. Therefore, the agency will be charged on the following:

a) 1 district X $91.17 = $91.17
b) 100 assessments X $0.10 = $10.00

---------------------------------------------------------------
Total $101.17
2) If the agency re-submits corrections with only 5 assessments and the FTP submittal is only 5 assessments for correction, the agency will be charged on the following:
   a) 5 assessments X $0.10 = $0.50

3) If the agency re-submits corrections with only 5 assessments, but the FTP submittal includes the entire file of 100 assessments again, the agency will be charged on the following:
   a) 100 assessments X $0.10 = $10.00

Note: There will be no adjustments allowed for the month of September, due to Secured Extension processing.
(Please call Roselyn Prasad at (951) 955-8510, if you have any questions.)

h) Any corrections requested AFTER Secured Extension, which is the fourth Monday in September will require a corrected tax bill. The district will be required to send a letter to the taxpayer notifying them of the correction. Current Year correction requests will be accommodated through October 30th only. Any other requests for Current Year only special assessment corrections received after October 31st shall be subject to approval by the Office of the Treasurer-Tax Collector. The charges for the corrected tax bills are:

Manual Corrections - $62.21, per corrections, per fund, per assessment, per tax year or Batch Corrections - $91.66, per batch plus $0.10, per assessment, per fund and per tax year for computer generated corrections in ASCII format data text file, which can be emailed in Notepad text with a minimum of 20 parcels.

In addition to this fee, the Tax Collector’s Office will also charge $7.94, per assessment for any changes that result in a corrected bill being produced.

Charges will be deducted from the Current Secured apportionment. Therefore, it is not recommended that the agency collect directly from any property owner after the assessment has been applied to the tax roll. If an error occurred, there are three alternatives:

1) Request an amended tax bill signed by the authorized person(s).
2) Have the property owner pay the tax bill, show proof of payment then reimburse directly to the taxpayer.
3) Provide the taxpayer with a check for the incorrect assessment amount payable to the County Tax Collector, so the property owner may include that payment with his own payment toward the tax bill.

i) Throughout the year, many agencies adopt resolutions declaring the charge of abatement of public nuisances is to be collected on the tax rolls. Those resolutions to be recorded as liens should be sent to the Assessor-County Clerk-Recorder’s Office immediately. However, it is recommended that you retain the Auditor-Controller’s Office copy for submission in August. Then, only submit those that remain unpaid at that time. If the Auditor-Controller’s Office receives an abatement charge resolution outside of the processing period, and it is not accompanied by a request for an amended tax bill, it will be held pending the next year’s tax roll. Notification of any subsequent payment or recorded release of lien may not occur, and the charge might be placed on the tax roll erroneously.
2) **SUBMITTING ASSESSMENT LISTING**

**CAUTION**

Any package sent without the following items will not be processed:

a) Compliance with the provisions of Proposition 218, the Right to Vote on Taxes Initiative will be a responsibility of the City or District. A **Compliance Letter** is required for each District (Fund) number and must be signed by the City or District Manager (See Form on Page 15.) Original Proposition 218 letter **must** be submitted with wet signatures. Electronic signatures are **not** acceptable.

b) A **Cover Letter** should be included with a telephone number, e-mail address and a contact person. This contact person information will be provided to taxpayer’s with assessment inquiries and posted on our website. This contact number will also be printed on our tax bills. If you have separate contact information for our office, you may send us two contacts: One for the public, and one for our office use only. Also, include a total parcel count and a total dollar amount, by Fund Number (District). This will assist us in verifying the accuracy of the initial input. Format should be as follow:

<table>
<thead>
<tr>
<th>Fund (District) Number</th>
<th>Total Assessments</th>
<th>Total Charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>68-XXXX</td>
<td>0,000</td>
<td>$0,000.00</td>
</tr>
</tbody>
</table>

c) A copy of a **Resolution Ordinance** of your governing body **must** accompany your electronic data **annually**. A resolution must state the following:
1) The charge is in compliance with all laws pertaining to the levy of the particular assessment.
2) The specific code section must be cited.
3) The charge is levied without regard to property valuation.
4) The purpose of the special assessment.
5) **Type or handwrite the county assigned Fund/District number (68-XXXX) on the top right hand corner of the Resolution and indicate whether it is 1915 Act assessment Fund number or not.**

d) You must submit an updated list of **Personnel Authorized to Request Corrections to Fixed Charges on the Tax Roll**. (See Sample of Signature Form on Page 14.) Original **must** be submitted with wet signatures. Electronic signatures are **not** acceptable.

e) **The Auditor-Controller’s Office accepts only FTP files** for data transfer. Data should be transmitted electronically as instructed on pages 18-20 of this package. If you are also recording these assessments as liens against the property, there **must** be a separate mailing to the Assessor-County Clerk-Recorder’s Office at P.O. Box 751, Riverside, CA 92502-0751. **The Assessor-County Clerk Recorder’s Office does not analyze any documents sent to them to determine whether they shall be forwarded to the Auditor-Controller’s Office, nor does the Auditor-Controller’s forward any listing to the Assessor-County Clerk-Recorder’s Office.**
Please follow the procedures below for the correct format for your data.  **This is for the submittal of your text file ONLY.**  Please **DO NOT** submit any Proposition 218 Letters, Cover Letters, Resolution Ordinances, or Personnel Authorized to Request Corrections to Fixed Charges on the Tax Roll, along with your FTP files.  Please email those documents to Ptax_RPCFixedCharges@rivco.org.

f) The only three items that should be on your FTP files are:
   1) The Assessment Number (including Check-Digit Number.) **DO NOT INCLUDE HYPHEN**
   2) Your Fund/District Number.
   3) The amount of charge for that assessment. (NO $ signs)

g) The FTP file name format must be in this format: 68XXXX.
   1) Please include only one Fund/District, per file name.
   2) The naming convention for the file is your six-digit Fund Number/District Number.
      For example: 68XXXX.txt

h) The FTP file data must have ASCII format: Numeric Only *(No dash/hyphen in the filename)* and single spacing.
   1) 3 columns
      – Column 1 format: 6 blanks spaces, 10 characters
      – Column 2 format: 1 blank space, 6 characters
      – Column 3 format: 2 blanks spaces, 9 characters
      
      XXXXXXXXXXX XXXXXXX X XXXXXXXXXX
      XXXXXXXXXXX XXXXXXX X XXXXXXXXXX

      Record Format:
      | Data          | Position |
      |---------------|----------|
      | Blank         | 1 - 6    |
      | Assessment Number | 7 - 15  |
      | Check Digit   | 16       |
      | Blank         | 17       |
      | Fund Number   | 18 - 23  |
      | Blank         | 24 - 25  |
      | Amount        | 26 - 34 (999999999) |
      (9 characters, Including 2 decimals)

i) Charges to be entered for property on the State Board of Equalization (Utility) roll should be submitted on a separate listing. These charges are applied to the tax rolls by an alternative manual procedure (See enclosed Form on Page 22.)
3) **SCHEDULE FOR 2018-2019**

Submit your original electronic data any time **after** July 1st, but no later than August 10th. **Corrections must be turned in by August 20th.** Every effort will be made by the ACO to send an electronic “error report” to the provided e-mail address. Please be advised that you will be charged again, if you are re-submitting rejected assessments. The fee for each assessment is **$0.10** each.

**Rejects must be returned to the Auditor-Controller’s Office by August 20 in order to be placed on the tax roll.** Any other requests for current year special assessment corrections received after October 30th shall be subject to approval by the Office of the Treasurer-Tax Collector.

The County tax rolls are usually extended during the second week in September. Any individual problems must be resolved by August 20th. Written notification of these changes should be received by the Auditor-Controller’s Office before that date. If your written notification will not reach us by August 20th, a phone call in addition to the letter will suffice. Please call or email us if there are any other problems or any questions about last minute items. You may contact Roselyn Prasad by phone at (951) 955-8510 or by e-mail at ronprasad@rivco.org.

4) **REPORTING TO AGENCIES**

Once we have processed your data for entry to the tax rolls, we will e-mail a report listing the accepted assessments. This report lists only those assessments that were successfully applied. If you submit two amounts for the same assessment number, our system will only accept the last amount submitted. **It is highly recommended that charges applied to the tax rolls be reconciled to your own assessment lists.**

In addition, we will e-mail a listing of the rejected assessments. This listing should be reviewed **immediately.** The Assessor-County Clerk-Recorder’s Office can provide the correct assessment number. These corrections need to be **re-submitted** to the Auditor-Controller’s Office as soon as possible. The fee for re-submittal of rejected assessments is **$0.10** per assessment. If it is **not possible to re-submit** the corrections before extension of the property tax roll, **the corrections can be added to the roll by the Roll Change Section** with an **additional** charge of $62.21, per manual or $91.66, per batch plus $0.10, per each assessment. Plus $7.94 Tax Collector’s Fee for corrections resulting in a corrected tax bill to be mailed. **After the roll has been extended and the tax bill produced, any corrections can be added to the roll through October 30th.** All correction fees will apply.

*Note:* **The correction will generate a corrected tax bill to be mailed by the Tax Collector’s Office.**

After the end of each secured tax collection period, we will post a listing of paid and unpaid assessments on our web site at:

[http://www.auditorcontroller.org/Divisions/PropertyTaxDivision/FixedChargePaidUnpaid.aspx](http://www.auditorcontroller.org/Divisions/PropertyTaxDivision/FixedChargePaidUnpaid.aspx)
5) **FIXED CHARGE CORRECTIONS**

The deadline for current year roll changes is October 30, 2018. Any other requests for current year special assessment corrections received after October 30th shall be subject to approval by both the Office of the Auditor-Controller and the Office of the Treasurer-Tax Collector.

**NOTE:** The Auditor-Controller’s office will not issue refunds for Current Year or Prior Year Fixed Charge requests. It is the District’s responsibility to process the refund.

STATE BOARD OF EQUALIZATION FIXED CHARGES

***Important Changes, Please Read carefully***

Deadline for SBE Fixed Charge submittal is August 20, 2018

The State Board of Equalization (SBE) is responsible for assessing properties associated with statewide companies such as railroads, telephones or telegraphs, electric or gas and other utilities. SBE assigns independent numbers to identify these utilities. These numbers are not in our computer system. Questions regarding the State-assessed assessment information should be referred to the State Board of Equalization, State Assessed Property Division, Jack McCool at (916) 274-3296.

Per legislation contained in AB454, unitary property is appraised using the unit value principle and is the primary operative property of the utility. Because of this legislative change, about 90 percent of SBE parcels are reported to us under this “unitary” classification and all Unitary SBE parcels are now identified to our office by SBE using a designated, yet nonexistent County-Wide TRA number 000-001, regardless of the parcels actual location.

On September 29, 2006, Assembly Bill 2670 was enacted to provide for the establishment of a single County-Wide Tax Rate Area 000-002 for qualifying regulated railway property. Beginning with the 2007-2008 Board Roll of State-Assessed Property, the value of railroad unitary property will be allocated based on the total number of track miles in a county and placed in a general County-Wide Tax Rate Area 000-002. On September 30, 2006, Senate Bill 1317 was enacted to add Revenue and Taxation Code 100.95 that changed the allocation of property tax revenues derived from state assessed qualified electric generation facilities, substation facilities, and transmission lines newly constructed by a public utility after January 1, 2007. Beginning with the 2008-2009 Board Roll of State-Assessed Property, the value of qualifying properties in Riverside County will be in a County-Wide Tax Rate Area 000-095.

Due to these amendments, the TRA numbers for the parcel number on which you place charges may have changed. To ensure your fixed charge will go to the correct TRA and to help facilitate your corrections, we encourage you to visit our website to check on the Board Roll of Assessed Property by TRA at http://www.auditorcontroller.org/Divisions/PropertyTaxDivision/AssessedValuations.aspx. We receive the roll in late July. The 2018 SBE Board Roll will be posted on our website during the first week in August 2018.

Adding fixed charges to a SBE parcel is done electronically by sending an e-mail request to Cris Arandia at carandia@rivco.org. This form is in an Excel format as shown on Page 22 and it must be completed correctly in order to ensure the proper utility is charged. To complete the form correctly, do not zero fill columns. Our system can process only one charge per Fund per parcel. For several charges, combine them into one. As with the regular fixed charges, the charge will be rounded to accommodate billing in two equal installments.

The most common error with SBE fixed charges is the TRA selected. Please be sure you have selected the correct TRA and parcel. Maps identifying unitary TRA’s are only available at the State level. Incorrect parcel and TRA information will not be levied. Requests for placements of charges on the SBE roll that do not match the assessment and TRA data on our system cannot be levied. All incorrect data submitted to this office will be rejected and returned to your agency because we do not have the information available to make the determinations of assessment information.
