APPLYING SPECIAL ASSESSMENTS TO THE TAX ROLLS

1) GENERAL INFORMATION

a) Before special assessments may be placed on the County tax rolls, a contract for their collection must be executed between the governing body of the agency and the County Board of Supervisors. Once this contract has been entered into, it is effective for any special assessment of that agency and remains in effect until rescinded by either of the parties concerned.

b) Compliance with the provisions of Proposition 218, the Right to Vote on Taxes Initiative will be a responsibility of the City or District. A compliance letter is required for each district number and must be signed by the City or District Manager (See form on Page 12).

c) Pursuant to Section 29142, 27013, 29304 and 50077 of the Government Code, the County Auditor Controller is authorized to charge for the cost of applying special assessments to the tax roll. This charge is $0.10 per parcel identification number (PIN) (a.k.a. assessment number) for each time a file is submitted whether it is accepted or rejected. There is an additional per district fee of $91.17 per annual submittal, in addition to the $0.10 per PIN.

d) Pursuant to Section 50077 of the Government Code and numerous other code sections, the County Treasurer-Tax Collector is authorized to charge for the collection of special assessments included on the tax bill. This year’s annual charge is $0.25 per PIN. This charge is in addition to the Auditor-Controller’s Office charges and will be recovered on the first Current Secured Settlement Apportionment.

e) The Auditor-Controller’s Office charge is based on applying the assessment to the tax roll, not for the collection of such taxes. Because of the nature of the charge, the County will recover its total charge on the first Current Secured Settlement Apportionment, regardless of which property owners paid their assessments. After this adjustment is made, the agency will receive the full amount collected from the property owners.

f) If your agency applies credits from successor agency funding, this office is not concerned with the amount of the credit or the amount of the original charge. Provide only the final amount to be collected from the County tax rolls. Amounts ending in odd cents will be rounded down to the even cent in order to accommodate equal installment billing.

g) There is a charge of $0.10 per PIN for any rejects being re-submitted before the August 20th deadline. The $0.10 per PIN charge applies to ALL initial submissions and re-submissions of PINS rejected or not.

For example:

1) The agency submits district 68-0001 with 100 PINS and after it is processed, only 95 PINS are accepted, and 5 PINS are rejected and need to be resubmitted. Therefore, the agency will be charged on the following:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) 1 district X $91.17</td>
<td>= $91.17</td>
</tr>
<tr>
<td>b) 100 PINS X $0.10</td>
<td>= $10.00</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$101.17</strong></td>
</tr>
</tbody>
</table>
2) If the agency re-submits corrections with only 5 PINS and the submittal CSV file includes only 5 PINS for correction, the agency will be charged on the following:

   a) 5 PINS x $0.10 = $0.50

3) If the agency re-submits corrections with only 5 PINS, but the submittal CSV file includes 100 PINS, the agency will be charged on the following:

   a) 100 PINS x $0.10 = $10.00

Note: There will be no adjustments allowed for the month of September, due to Secured Extension processing.

(Please contact Frank Partida at Ptax_RCFixedCharges@rivco.org or (951) 955-3867, if you have any questions.)

h) Any adjustments requested after Secured Extension, which is the fourth Monday in September, September 28, 2020 will require a corrected tax bill. (The district will be required to send a letter to the taxpayer notifying them of the correction.) Current Year adjustment requests will be accommodated through October 30th only. Any other requests for Current Year only special assessment corrections received after October 30th shall be subject to approval by the Office of the Treasurer-Tax Collector. The charges for the corrected tax bills are:

Fees: $91.66 per batch, plus $0.10 PIN, per fund and per tax year.

In addition to this fee, the Tax Collector’s Office will also charge $6.62, per PIN for any correction that result in a corrected bill being produced.

Charges will be deducted from the Current Secured Apportionment. Therefore, it is not recommended that the agency collect directly from any property owner after the assessment has been applied to the tax roll. If an error occurred, there are three alternatives:

1) Request an amended tax bill signed by the authorized person(s).
2) Have the property owner pay the tax bill, show proof of payment then reimburse directly to the taxpayer.
3) Provide the taxpayer with a check for the incorrect PIN amount payable to the County Tax Collector, so the property owner may include that payment with his own payment toward the tax bill.

i) Throughout the year, many taxing agencies adopt resolutions declaring the charge of abatement of public nuisances is to be collected on the tax rolls. Those resolutions to be recorded as liens should be sent to the Assessor’s Office immediately. However, it is recommended that the taxing agencies retain a copy and send the Auditor-Controller’s Office a copy with the annual submission in August. Only submit those that remain unpaid at that time. If the Auditor-Controller’s Office receives an abatement charge resolution outside of the processing period, and it is not accompanied by a request for an amended tax bill, it will be held pending the next year’s tax roll. Notification of any subsequent payment or recorded release of lien may not occur, and the charge might be placed on the tax roll erroneously.
2) **SUBMITTING A PIN LISTING**

Any package sent without the following items will not be processed:

a) Compliance with the provisions of Proposition 218, the Right to Vote on Taxes Initiative will be a responsibility of the City or District. A Compliance Letter is required for each District number and must be signed by the City or District Manager (See form on page 13). Proposition 218 letter must be submitted with wet signatures. Electronic signatures are not acceptable.

b) A Cover Letter should be included with a telephone number, e-mail address, and a contact person. This contact person information will be provided to taxpayer's with assessment inquiries and posted on our public access portal. This contact number will also be printed on the tax bills. If you have separate contact information for our office, you may send us two contacts: One for the public, and one for our office use only. Also, include a total PIN count and a total dollar amount, by District number. This will assist us in verifying the accuracy of the initial input. Format should be as follow:

<table>
<thead>
<tr>
<th>District Number</th>
<th>Total PINS</th>
<th>Total Charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>68-0001-FC</td>
<td>1,000</td>
<td>$10,000</td>
</tr>
</tbody>
</table>

c) A copy of a Certified Resolution Ordinance of your governing body must accompany your electronic data annually. A resolution must state the following:

1) The charge is in compliance with all laws pertaining to the levy of the particular assessment.
2) The specific code section must be cited.
3) The charge is levied without regard to property valuation.
4) The purpose of the special assessment.
5) Type or handwrite the county assigned District number (68-0000-FC) on the top right-hand corner of the Resolution and indicate whether it is 1915 Act assessment Fund number or not.

d) You must submit an updated list of a signature of Personnel Authorized to Request Corrections to Fixed Charge on the Tax Roll (See a sample form on page 12) Original form must be submitted with wet signatures. Electronic signatures are not acceptable.

e) The Auditor-Controller’s Office accepts only CSV file type for data upload. Data should be transmitted via the public access portal. If you are also recording these assessments as liens against the property, there must be a separate mailing to the Assessor-County Clerk Recorder’s Office at P.O. Box 751, Riverside, CA 92502-0751. The Assessor-County Clerk Recorder’s Office does not analyze any documents sent to them to determine whether they shall be forwarded to the Auditor-Controller's Office, nor does the Auditor-Controller’s forward any listing to the Assessor-County Clerk Recorder’s Office.

Please follow the procedures below for the correct format for data being submitted. **This is for the submittal of your CSV file ONLY.** Please DO NOT submit any Proposition 218 Letters, Cover Letters, Resolution Ordinances, or Personnel Authorized to Request Corrections to Fixed Charges, along with your CSV files.

Please email those documents to: Ptax_RCCFixedCharges@rivco.org
Please mail the original Proposition 218 Letters and Personnel Authorized to Request Corrections to Fixed Charges to:

3) **SCHEDULE FOR 2020-2021**

Submit your original electronic data file any time **after** July 1st, but no later than August 10th. **Corrections must be turned in by August 20th.** Please be advised that you will be charged again, if you are re-submitting rejected PINS. The fee for each rejected PIN is **$0.10** each.

Rejects must be re-submitted to the Auditor-Controller’s Office by August 20th in order to be placed on the tax roll. Any other requests for current year special assessment corrections received after October 30, 2020 shall be subject to approval by the Office of the Treasurer-Tax Collector.

The County tax rolls are usually extended during the second week in September. **We will not accept any new fixed charges after Secured Extension.** Any individual problems must be resolved by August 20th. Written notification of these changes should be received by the Auditor-Controller’s Office before that date. If your written notification will not reach us by August 20th, a phone call in addition to the letter will suffice. Please call or email us if there are any other problems or any questions about last minute items. **You may contact Frank Partida by phone at (951) 955-3867 or by e-mail at Ptax_RCFixedCharges@rivco.org.**
4) **REPORTING TO AGENCIES**

We will no longer e-mail a report listing of accepted and rejected PINS. This information will be available to you once you process your fixed charge enrollment via the portal. If you submit two amounts for the same PIN number, our system will only accept the last amount submitted. It is highly recommended that charges applied to the tax rolls be reconciled to your own PIN lists.

The fee for re-submittal of rejected PINS is **$0.10** per PIN. If it is not possible to re-submit the corrections by August 20th, and before extension of the property tax roll by September 28th, the corrections can be added to the tax roll through October 30th with an approval by the Office of the Treasurer-Tax Collector and an additional charge of $91.66 per batch plus $0.10 per PIN, plus $6.62 Tax Collector’s Fee for corrections resulting in a corrected tax bill to be mailed.

Note: Any correction that results in a corrected tax bill will be mailed by the Tax Collector’s Office.

After the end of each secured tax distribution period, we will post a listing of paid and unpaid PINS on our public access portal located at:

The State Board of Equalization (SBE) is responsible for assessing properties associated with statewide companies such as railroads, telephones or telegraphs, electric or gas and other utilities. SBE assigns independent numbers to identify these utilities. These numbers are not in our computer system. Questions regarding the State-assessed assessment information should be referred to the State Board of Equalization, State Assessed Property Division, and Jack McCool at (916) 274-3296.

Per legislation contained in AB454, unitary property is appraised using the unit value principle and is the primary operative property of the utility. Because of this legislative change, about 90 percent of SBE parcels are reported to us under this “unitary” classification and all Unitary SBE parcels are now identified to our office by SBE using a designated, yet nonexistent County-Wide TAG number 000-001, regardless of the parcel’s actual location.

On September 29, 2006, Assembly Bill 2670 was enacted to provide for the establishment of a single County-Wide Tax Rate Area 000-002 for qualifying regulated railway property. Beginning with the 2007-2008 Board Roll of State-Assessed Property, the value of railroad unitary property will be allocated based on the total number of track miles in a county and placed in a general County-Wide Tax Authority Group 000-002.

On September 30, 2006, Senate Bill 1317 was enacted to add Revenue and Taxation Code 100.95 that changed the allocation of property tax revenues derived from state assessed qualified electric generation facilities, substation facilities, and transmission lines newly constructed by a public utility after January 1, 2007. Beginning with the 2008-2009 Board Roll of State-Assessed Property, the value of qualifying properties in Riverside County will be in a County-Wide Tax Authority Group 000-095.

Due to these amendments, the TAG numbers for the parcel number on which you place charges may have changed. To ensure your fixed charge will go to the correct TAG and to help facilitate your corrections, we encourage you to visit our website to check on the Board Roll of Assessed Property by TAG at http://www.auditorcontroller.org/Divisions/PropertyTaxDivision/AssessedValuations.aspx. We receive the roll in late July. The 2020 SBE Board Roll will be posted on our website during the first week in August 2020.

Adding fixed charges to an SBE parcel is done through our Property Tax Portal. Please follow instruction on this packet on how to submit through our portal beginning on page 15. Our system can process only one charge, per Fund, per PIN. For several charges, combine them into one. As with the regular fixed charges, the charge will be rounded down to accommodate billing in two equal installments.
The SBE PIN number format is the 6-digit TAG (Tax Rate Area) and the 4-digit Assessee Number. For example, the unitary for Anza Electric pin is 0000010103.

The most common error with SBE fixed charges is the TAG selected. Please be sure you have selected the correct TAG and parcel. Maps identifying unitary TAG's are only available at the State level. Incorrect parcel and TAG information will not be levied. Requests for placements of charges on the SBE roll that do not match the assessment and TAG data on our system cannot be levied. All incorrect data submitted to this office will be rejected because we do not have the information available to make the determinations of assessment information.
